Mini Policing

CPSO Dan Collinson will be patrolling with some of our children soon issuing Highfield parking tickets. Parents are also now supporting our safety campaign by reporting their registration number plates of dangerous driving and parking to CPSO Collinson on 07921882480. At our governing body meeting last week the governors discussed the very good work done by the walking bus in ensuring children get to school safely. If you would be interested in setting up another walking bus with some other parents, perhaps coming from the Harrogate Road area, please contact me or Mrs McClellan on 0773306878 e-mails: laura_durkin@hotmail.com

Our parents are our greatest role models in supporting good behaviour and relationships in school and on the playground. I have recently received a couple of reports of parents reprimanding other parents' children on the school playground. This is not school policy. It is not right and can cause great upset and ill feeling. If you have any concerns regarding the behaviour of a child in school towards your own child please discuss them with the class teacher so that they can investigate and deal with the concern. Through the correct channels.

New Parent Governor

Steve Binns has been a governor at Highfield for four years and his term of office has now come to an end. Steve has played an invaluable part in ensuring Highfield has grown safely and effectively. Steve supported the school in its expansion programme and his experience and advice in areas such as buildings and fire safety has been excellent. Thank you Steve. Our next parent governor election will be held on Friday 28th March. You will have received a letter and invitation to stand for election. I hope you will all consider doing so as the governing body's work behind the scenes in supporting Highfield is incredibly valued and important.

Thank you for helping the children dress up for Book Day last week - they looked amazing and we had a most enjoyable day
