MARCH 2013

DUCKLINGS ON THEIR WAY TO SCHOOL!

Watch out after Easter for duck eggs arriving in Reception! Last year the Reception children looked after chicks and this year they are all very excited about the prospect of hatching ducklings.

“We can’t wait to see them all swimming in the water tray,” said Mrs Garbutt!

DARKNESS IN SCHOOL AS EARTH HOUR ARRIVES!

On Friday at 2.30 p.m. we turned off all the lights and electricity to celebrate Earth Hour. Key Stage 1 enjoyed an assembly in the dark and managed to sing beautifully without the piano and the projector. Now we are all trying to continue saving

electricity by turning off the lights when we leave the classrooms.

Mrs Denton, our school business manager said,

“We spend approximately £14,000 per year on electricity, so we probably saved about £9.25 in that hour.”

SCHOOL COUNCIL REPORT

All the Bun Day Monday money from now until the summer will be used to buy drinking water fountains for the playground.

The School Council would like to remind everyone that the annexe playground is for skipping and sitting but not for running games.

CALLUM’S BIRDS

Callum has chosen the blackbird this month. They are 15-25 cm in length and feed from bird feeders.

Remember to feed the birds in the snowy weather.

HARRY’S WEATHER

Snow has covered Highfield Primary for the first time in March in many, many years.

Easter weekend forecast

We might see some sunny spells but it will remain cold and cloudy. There is a slight chance of snow in the Yorkshire area.

AND FINALLY.....

We want to say thank you to Mr Walsh who has worked so hard over the last few days clearing snow. This has meant the school could stay safe and the pantomime could go ahead at the weekend.

The next Highfielder will be published in May 2013 so look out!
