Headteacher's Message

I would like to thank all the staff, parents and carers for their time attending the parents' evening consultations this week. The home-school link is so important for providing the best possible opportunity for our children to achieve. Walking around school and seeing parents taking the time to enjoy their children's work in their classrooms was fantastic. Thank you also to those who have fed back through our online survey; it is important I understand your views and opinions. If you have not done so but would like to, I have attached the QR code and weblink at the bottom of this message.

The Spring term may be the shortest, but it is most definitely the busiest and I think the whole Highfield community has earned the two-week break! Can I also wish the whole Muslim community Ramadan Mubarak.

Enjoy your rest and time together. Thank you for your support.

Mr Feeley

Model Village Day in Year 1

Year 1 made a model village in the hall to showcase our DT houses project. Children made houses in different styles, for example terraced and detached. We laid the hall out like a map of our local area which we learnt about last half term in Geography. Thanks to the parents who were able to join us for this event.

Year 5 enjoy a wet day out to Nell Bank!

Year 5 had a great day out at Nell Bank this week. They enjoyed learning about habitats, river studies and problem solving amongst other activities. There was a lot of rain, but it certainly didn't dampen any spirits!

Netballers on top!

The netball team have continued their great form, winning 12-9 at Shadwell Primary School this week. We may have only played 2 games, but our goal difference leaves us on top of the league table:
