

30.01.2023 Whole School Assembly: National Storytelling Week

This week is National Storytelling Week. It takes place every year and is a celebration of the power of sharing stories. We discussed together why we have stories and what they can do. This was our list:

- Fun!
- Teach us about the world
- They allow us to step into someone else's shoes and feel empathy
- They help us to relax and escape
- Help develop essential literacy skills.
- Keep alive traditions and teach morals

We then shared our favourite stories and finished by reading together. We read the story of Little Red Riding Hood and whilst I read, I was supported by children chosen from across school with some improv - improv (improvisation) is a form of live theatre in which the plot, characters and dialogue of a game, scene or story are made up in the moment. The children thought it was fantastic!
