

Geography Long Term Map

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Reception		<p><u>Environmental Changes</u> <i>What happens in Autumn?</i></p>	<p><u>Weather seasons</u> To know about the seasonal changes in the UK. What does the weather look like? What sort of clothing would I need? To know about changes in seasonal plants? <i>What do I need to know to plant a bulb?</i></p>			
Year 1		<p><u>Countries of the UK</u> Locational knowledge <i>Can you name and identify the 4 countries of the UK and their capitals. Can you tell me some of their characteristics and features?</i></p> <p><u>Seasonal and daily weather patterns</u> <i>Can you describe the seasonal changes, including changes to trees that take place in Autumn?</i></p>	<p><u>Our local area</u> Place knowledge, geographical skills and fieldwork <i>Can you discuss human and physical features of the local area?</i></p> <p><u>Seasonal and daily weather patterns</u> <i>Can you describe the seasonal changes, including changes to trees that take place in Winter and Spring?</i></p>		<p><u>Scarborough</u> Human and physical geography <i>Can you talk about the key geographical features of Scarborough?</i></p> <p><u>Seasonal and daily weather patterns</u> <i>Can you describe the seasonal changes, including changes to trees that take place in Summer?</i></p>	
Year 2		<p><u>Comparing Localities – Craven and Thoddoo</u> Identifying continents and seas around the world Comparing a small area of the UK (Craven) and a small non-European area (Thoddoo, Maldives) <i>How does Thoddoo compare to Craven?</i></p>	<p><u>Maps and Planning Journeys</u> Looking at different scales of maps and their symbols Interpreting and following maps Using keys on maps <i>How can I represent a location on paper?</i></p>		<p><u>KS1 Geography Assessment</u> Can I share my knowledge and understanding from KS1? <i>What can I tell you about my Geography journey?</i></p>	
Year 3			<p><u>How did the River Nile affect life in Ancient Egypt?</u> <i>Where was Ancient Egypt?</i></p>		<p><u>Butterflies</u> How does the climate affect the population of butterflies?</p>	<p><u>Moortown</u> Where is Moortown? How is land used in Moortown? <i>What are the physical and human features of Moortown?</i></p>

Geography Long Term Map

			<p><i>Where in the world do butterflies live?</i></p>	
<p>Year 4</p>	<p><u>Robin Hood's Bay</u> Compass rose locations What are the points on a compass? How many points are there on a compass? Use a map to locate RHB in the UK (map comparison on Digi maps.) Comparing features of a village, town or a city? How are these population centres different? Physical features of coastlines inc topographical features of the coast. What would I find at a coastline? What do the features look like? Erosion and sea defences. Occupations in RHB Village Study Features of a coastline village. (RHB) Human characteristics</p> <p><i>Can I explain the human and physical features of Robin Hood's Bay?</i></p>			<p><u>Rainforests</u> On a digital world map, identify and locate rainforests around the world to include the equator, and the two tropical lines. Understand the climate of the biome Mr Galbraith visit Identifying different layers of the rainforest Understand the rainforest biome is home to different plants and animals. Key topographical features of the Amazon River, inc. Length Know about the different layers of the rainforest and the vegetation and animals that exist within them. Know about human characteristics of a rainforest. Learn about farmers, native tribesmen, tourist and environmentalist. The rainforest in danger – deforestation! Protection of animals in the rainforest.</p> <p><i>Can I understand the importance and key features of rainforests?</i></p>
<p>Year 5</p>		<p><u>Rivers</u> The water cycle Journey of a River River Features Cross section of a Meander World's Major rivers (including European Rivers)</p>		

Geography Long Term Map

Year 6		The Danube location and use of (human Geography) <i>What are the key aspects of a river and what is their positive influence on society?</i>	
	Physical Geography: Mountains An area study of mountains in North and South America. What are the invisible lines around the earth? How is the earth divided climatically? How do plate tectonics form mountains? Digital Mapping: Can I compare mountain ranges in North and South America? <i>Can I describe the location and characteristics of a mountain range?</i>		Marrick – Local area study Can I identify topographical features of Swaledale? What are the similarities and differences between The Dales and Leeds and how is the land used? Why is Marrick built around a river? Why would people visit Marrick? I can use fieldwork to observe, measure record and present the human and physical features of Marrick. <i>Can I compare the geographical features of Marrick and Moortown?</i>
