

## 13.11.2023 World Kindness Day

This week we had a guest speaker from the Leeds Children's Charity at Lineham Farm to coincide with World Kindness Day. Leeds Children's Charity at Lineham Farm is dedicated to brightening children's lives by providing residential and valuable learning experiences. They work with the most disadvantaged children in the city, offering them respite from difficult home lives.

The charity was founded by three women who wanted to make the lives of children better. Their kind acts built over the years and helped create what we see today – a fantastic facility at Lineham Farm which is able to support a greater number of children, with a more diverse range of circumstances, through fun, adventure, positive challenge, and family values.

After sharing this journey, the Highfield children were then asked to think about how they could be kind and make the world a better place.

Our thanks to Miss Overduin who organised our guest speakers and championed 'World Kindness Day' throughout school.
