 - Homework
-

Contact

- If you wish to speak to us about anything happening in school, please either find us on the playground after school once we have dismissed all the children safely or contact us via email through the office at:
 - admin@highfield.leeds.sch.uk
-

Pedagogy Evening

- Pedagogy is the science of teaching and learning. How does what we know about learning and memory inform our practice as teachers? Mr Brassil's role at school is to keep us evidence-informed about this by reading the latest research and passing it on.
 - Want to find out more about pedagogy and take a peak into our practice as teachers at Highfield?
-
- Make a date in your diary for his **PEDAGOGY FOR PARENTS** evening on **Thursday the 26th September 2024 at 6p.m.** in the **school hall**. In the session Mr Brassil will be uncovering some of the principles we use at Highfield to ensure that our teaching, and the learning that happens as a result, is outstanding.
