

30.09.2024 Friendship, by Padra

Today's assembly was remarkable, not just for the content but also because of the presenter. Padra in Year 6 wrote and presented an assembly on friendship. It was simply incredible! Not only was the content fantastic, but the manner in which he presented it was like he'd been a headteacher for years! Padra gave opportunities for thinking time, talk-partners and discussion. He had the audience working, listening and thinking.

Phenomenal Padra, thank you!

The slides he made are uploaded to the 'Headteacher Assemblies' page of the website for you to enjoy.

Friendship
