

This week was a little bit different, Mr Feeley had a week off and Hafsah in Year 5 led the assembly.

Ramadan

By Hafsah

Hafsah shared her knowledge and experiences of Ramadan, quizzed the audiences on what they had learned and then took questions at the end. It was an amazing experience; for a child to stand and deliver an assembly on her own in front of 420 peers and all the staff took courage and a lot of skill. Hafsah was brilliant!
