HIGHFIELD PRIMARY SCHOOL

PE and SPORT PREMIUM REPORT

2025-2026

PE and SPORT PREMIUM FUNDING

Total funding received:

- CPD: £1,600
- Equipment and Resources: £15,250
- Membership and Subscriptions (including Leeds Well School Partnership): £1500
- External Coaching Staff: £100
- Extra-Curricular Opportunities: £1,600

Our Vision

At Highfield, we are committed to ensuring that every child develops the skills, confidence and enthusiasm to lead an active and healthy lifestyle. Through high-quality PE, sporting opportunities and outdoor education, we aim to inspire lifelong participation in physical activity.

A key aspect of our vision is that we secure opportunities for the current pupils in school and that we:

- "build capacity and capability in the school, ensuring improvements to the quality of PE, sport and physical activity provision are sustainable and will benefit pupils joining the school in future" (PE and Sports Premium Guidance 2025-2026)

IMPROVING STAFF EXPERTISE

Investment: £1600

PE and Sport Premium funding has been used to provide staff with Real PE, a high-quality scheme that supports the planning and teaching of PE. Its structured resources help teachers deliver engaging, progressive lessons.

Impact

- Increased teacher confidence in planning and delivering PE.
- More consistent, high-quality PE lessons across the school.

EXTRA-CURRICULAR OPPORTUNITIES

Investment: £1,600

PE and Sport Premium funding has helped us broaden the range of physical activities available to pupils beyond their regular PE lessons. Wellbeing Week encouraged pupils to explore the link between physical activity and wellbeing. Sessions with Foot Tech Academy and City of Leeds Gymnastics gave pupils opportunities to develop new skills and experience different sports. Skipping and tennis events offered further chances to participate, while funding transport to a triathlon enabled pupils to attend an event beyond school.

Together, these opportunities have increased access to a wider range of activities and encouraged pupils to enjoy being active.

EQUIPMENT and RESOURCES

Investment: £15,250

A significant proportion of our PE and Sport Premium funding has been invested in PE, sport and outdoor equipment. This investment supports curriculum delivery and active playtimes, while creating more opportunities for pupils to take part in outdoor challenges.

The funding has supported:

- **PE equipment repairs**, helping staff make effective use of existing resources.
- **Electrical work to enable swimming provision** for Year 4 pupils through Swim in Autumn 2 2026. This provision aims to help more pupils meet the expected swimming outcomes by the end of Key Stage 2.
- **Preparation of an outdoor learning and play space**, giving pupils better access to high-quality equipment and more opportunities to be physically active.
- **Sports markings for competitive events**, supporting pupils to take part in school sport.

PARTNERSHIPS AND MEMBERSHIPS

Investment: £1,600

As members of the Leeds Well Schools Partnership and Active Leeds, we have accessed specialist support, resources, sporting opportunities and professional advice.

Impact:

- Greater access to sporting festivals and competitions

- Enhanced PE provision
- Increased opportunities for pupil participation
- Stronger links with community organisations promoting healthy lifestyles

SWIMMING AND WATER SAFETY

Although no PE and Sport Premium funding was used specifically for swimming, the school has provided additional opportunities through other funding streams and delivered extra tuition for those pupils who had not met the expected standard. Plans are in place this year (Autumn Term 2026) to provide on-site tuition through Swim:ED to enable all pupils to meet the expected standard for Key Stage Two.

Year 6 Outcomes: • 85% can swim 25 metres competently and confidently. • 80% can use a range of strokes effectively. • 100% can perform safe self-rescue.

SUMMARY OF IMPACT PE and Sport Premium funding has enabled Highfield Primary School to improve teaching quality, enhance resources, strengthen partnerships, increase participation and maintain a strong culture of sport and physical activity. As a result, pupils benefit from a broad, engaging and sustainable PE offer that supports their physical development, wellbeing and enjoyment of being active.
